Tiger Splash
See nature's spectacular water play between caretakers and tigers, showing natural, instinctual behavior.

Wildlife Preserve
Side or walk with a preserve of large predators like tigers, panthers and leopards as they grow in their natural habitat.

WWW.OUTOFAFRICAPARK.COM

ARIZONA'S ONLY WILDLIFE THEME PARK

Serengeti Safari
Feeds safari vehicles along grassy, savannaed, areas and other animals of the African plains and experience an authentic safari.

Predator Feed
See caretakers throw 300 pounds of raw food to animals including carnivores such as tigers, lions and more.

Owners Dean and Prayeri with Java, African Lion

Out of Africa Wildlife Park began in 1988 when Dean and Prayeri Harrison decided to share their animal experiences with the world. Today the Park is a favorite place to visit for vacationers and residents alike.
